

VIGOROX® SP-15 FOR LAUNDRY

VigorOx® SP-15 for laundry is a formulated peracetic acid (PAA) based solution that can function as both a low temperature laundry bleacher and a USEPA registered disinfectant. Contact FMC for applications support.

Features:

- ✓ Low temperature bleacher (90°F to 115°F)
- ✓ Color safe warm water bleaching
- ✓ USEPA Disinfection and sanitation claims
- ✓ “Green” Chemistry
- ✓ 1 year shelf life

Benefits:

- ✓ Equivalent bleaching to chlorine¹
- ✓ Energy savings
- ✓ Reduced lint production
- ✓ Reduced re-wash
- ✓ Less wear and tear on fabric
- ✓ Less wrinkles
- ✓ Does not darken iodine based antiseptic compounds (e.g. Hibiclens® stains)

FMC has a team of technical, microbiological, and engineering personnel who are available to assist you with any product application, safety and handling, and microbial control issues you may have.
